Anthony E. Mann
President & CEO
E-J Electric Installation Co.
46-41 Vernon Blvd.
Long Island City, NY 11101

Mr. Mann:

The Alliance for Downtown New York has contracted with your firm since the summer of 2013. I just wanted to let you know that we appreciate the work and support of two of your employees, General Manager, Dave Ferguson Jr. and Project Engineer, Terry Kagler.

Although we aren't your largest customer, we always feel we get the attention we need.

Through on site meetings and continued communications with our staff, they continue to provide us with the timely work crews that are important in getting our projects accomplished and on time.

Regards,

A handwritten signature in black ink, appearing to read "Ron Wolfgang". The signature is fluid and cursive, with a long, sweeping underline that extends to the right.

Ron Wolfgang
Senior Vice President of Operations
